OFFICE OF THE REGISTRAR OF CO-OPERATIVE SOCIETIES IN MYSORE.

Dated 19*th June* 1909.

Notes of Inspection of the Kunigal Co-operative Society, Limited, by the Honorary Organizer of Tumkur District, with the Registrar's remarks thereon.

Inspection began on the 9th and completed on the 13th May 1909.

The President was present with me, the Secretary is the Headmaster of the Anglo-Vernacular School and he was absent from the place on account of midsummer holidays.

The Society was registered on the 22nd March 1907. The capital of the Society consists of 1,000 shares of Rs. 5 each, and its business is confined at present to simply lending money to its members.

Mr. Kesar Singh, the Amildar, is taking much interest in the advancement of the Society and it is becoming popular.

Excluding the members who have been transferred to the newly established Halgonahalli Society and the one member resigned, there are at present 200 members in the register on the 30th April last.

Of the 713 shares taken up by the members, 161 shares have been fully paid up, and the remaining shares are not regularly paid, and I think the Society will have to employ a paid servant to demand and collect them. One Mr. Mahadevaiya, a shanbhog of this place, is doing the clerk's duty without any remuneration, and unless the Society pays him, it cannot expect better work from him.

Registrar's remarks.
It is essential that the clerk should receive adequate remuneration. The attention of the Managing Committee may be drawn to this point.

Capital.—The total receipts of the Society were as follows on the 30th April 1909 :—

	Rs.	a.	p.
Share amount	1,604	3	9
Entrance fee	92	4	0
Interest	110	9	5
	1,807	1	2

Of this amount, only Rs. 14-4-6 have been spent for contingent expenses, leaving a balance of Rs. 1,792-12-8 in the hands of the Society. Of this amount, Rs. 61-2-0 is the cash balance on the 30th April as shown hereunder :—

	Rs.	a.	p.	
	22	8	5	with the Society.
	38	9	7	in the Savings Bank.
Total ...	61	2	0	

I have examined the cash in the hands of the Secretary and also the Savings Bank Pass Book and found them correct.

Registrar's remarks.
The penal sums collected should certainly be shown under a separate head to be named 'Penalty' and should be credited to the 'Reserve.'

The Society collects penalty from the members who fail to pay up their loan in time at 6 per cent per annum, and it is credited in the accounts under the head 'Interest.' It is proper to show this sum under 'Penalty.'

Loans.—Since the establishment of the Society, 119 members were given loans, of which 59 have been returned and on the 30th of last month only 60 members were debtors to the Society to a sum of Rs. 1,731-10-8. This includes both short and long loans. The Society has defined loans returnable within one month as short loans and the remaining as long loans. Of the 60 unreturned loans, 42 are long loans, and 18 short loans.

The purposes for which the above loans are given are not clearly shown in the register and on referring to the applications for loans, there it is stated (ಗೃಹಕೃತ್ಯಕ್ಕಾಗಿ) "for domestic purposes"; however in very few cases they have given the details and I have suggested that the members should invariably mention the purpose for which the loan is required and the same should be [illegible]

Registrar's Remarks.
I hope that the Committee will follow this suggestion in practice.

Registrar's Remarks.
The Committee may be asked as to whether these overdue loans have since been collected. Punctuality of repayment should be insisted on.

Out of 119 loan cases, the loans were not returned in time in 22 cases by the members, but before the end of April, 14 members returned the loans, and 8 loans remain unpaid.

The professions of the 119 persons who borrowed are detailed below :—

Priests (Brahmin)	4
Government servants	59
Agriculturists	31
Pensioners	4
Tailor	1
Toddy drawer and seller	1
Washerman	1
Merchants	18
Total	119

Registrar's Remarks.
At the end of every month, the Managing Board may approve of all loans disbursed by the Secretary on his own responsibility. The applications should be circulated to all the members of the Committee and no loan should be given without the consent of the majority of members.

The Secretary is authorized by the Society to dispose of the loan applications up to Rs. 25 on his own responsibility and the rest with the approval of the Committee members, who are eight in number including the President, Secretary and Joint Secretary and the Treasurer. The Secretary sends the loan applications only to Messrs. Makum Bhadraiya and Rama Setty invariably and gets their approval to grant loans. I think the remaining members also should be aware of the Society's transactions and the sanction of the President should be obtained for loans exceeding Rs. 25.

Kunigal town contains 1,000 houses (dwelling) with a population of 4,576. If every resident of the town had taken at least one share and paid regularly 4 annas, which is the share amount, every month, the capital of Rs. 5,000 would have been collected long before the time which lapsed between the date of registration and this date; but the people being ignorant of the benefits of the Society, we must leave it to take its own time.

Honorary Organizer of Tumkur Dt.

14*th May* 1909.

The inspection report shows much intelligent insight into the affairs of the Society on the part of Mr. C. D. Ramaswamaiya and reflects credit on the members of the Managing Committee. Thanks are also due to the Amildar Mr. Kesar Singh who has shown much interest in the development of the Society
